### Professional Experience

**Flutter Developer** 06/2025 - 07/2025

*Technoguide Infosoft Pvt. Ltd - Anand, India*

- Developed and maintained Flutter mobile applications from concept to deployment.
- Collaborated with UI/UX designers to translate wireframes into high-quality, responsive code.
- Managed application state effectively using modern state management libraries.
- Successfully integrated RESTful APIs to connect mobile applications with back-end services.
- Contributed innovative ideas to improve application features and user experience.

**Django Developer Intern** 06/2024 - 07/2024

*Technoguide Infosoft Pvt. Ltd - Anand, India*

- Assisted in the development and maintenance of Django-based web applications.
- Participated in daily stand-ups and sprint planning sessions within an agile framework.
- Identified and resolved performance issues to enhance application responsiveness.
- Utilized Git for version control in a collaborative team environment.
- Wrote and maintained technical documentation for newly developed features.

### Education

**Bachelor of Technology: Information Technology(2022-2026)** Expected: 08/2026

*BVM ENGINEERING COLLEGE (Affiliated to GTU) - Gujarat, India*

### Key Academic & Personal Projects

- Sign Language Detection System:** Developed a model to interpret sign language gestures in real-time. Utilized TensorFlow/Keras for model training on a custom dataset of gestures, achieving high accuracy.
- Retinal Diagnosis using Deep Learning:** Created deep learning models for automated disease detection from retinal scans. The system was designed to aid in the early diagnosis of common retinal conditions.
- Flutter Applications (Todo, Weather & livestock management):** Built a feature-rich Todo App with persistent local storage and a Weather App that integrates with a live third-party API for up-to-date weather data based on geolocation.
- Full-Stack Python(Django Frameworks) E-Commerce System:** Engineered a complete, functional E-Commerce platform with user authentication, product catalog, shopping cart, and a mock payment gateway integration.

### Certifications

- Fullstack Development(udemy)
- Information Security Fundamentals(udemy)
- Advanced Flutter Development(udemy)

### Languages

**English:** Fluent  
**Sotho/Zulu:** Native / First Language  
**Hindi:** B1 (Intermediate)  
**Gujarati:** B1 (Intermediate)
